Responsible for providing project & programme delivery and coordination assurance, supporting the development and inplementation of best practice within the area of project and programme management. Surface Transport operates 24 hours per day, 7 days per week, so you need to be prepared to work outside of core office hours on an exceptional basis by mutual agreement. In these instances Time Off In Lieu (TOIL) will be applicable.	£55,000 - £59,999	£1 - £4,999	N/A	NIL	0
Project Accounting Manager	The Project Accounting Manager is responsible for the delivery of elements of the end-to-end process within the Business Services Function for the team that conducts project accounting. The Project Accounting Manager ensures that the recharges for all staff related costs are agreed as part of the budget setting process and that the apportionment is accurately reflected across the projects. They review, supervise, coach and challenge the wider Project Accounting team within BSF. In addition, the role is responsible for managing the assets under construction (AUC). They carry out regular reviews of asset in use dates and control the capitalisation of assets in use. The Project Accounting Manager will ensure that the project accounting policy is developed and implemented consistently across TfL and to work with the business in ensuring adherence to policy and best practice.	£55,000 - £59,999	£1 - £4,999	N/A	NIL	2
roject Assurance Review Manager	The Assurance Review Manager is responsible for planning and leading assurance reviews of projects and programmes across TfL, to confirm that risks to project delivery and benefits realisation are being effectively managed.	£55,000 - £59,999	£1 - £4,999	N/A	NIL	0
roject Assurance Review Manager	The Assurance Review Manager is responsible for planning and leading assurance reviews of projects and programmes across TfL, to confirm that risks to project delivery and benefits realisation are being effectively managed.	£55,000 - £59,999	£1 - £4,999	N/A	NIL	0
Project Assurance Review Manager	The Assurance Review Manager is responsible for planning and leading assurance reviews of projects and programmes across TfL, to confirm that risks to project delivery and benefits realisation are being effectively managed.	£55,000 - £59,999	£1 - £4,999	N/A	NIL	0
Project Assurance Review Manager	The Assurance Review Manager is responsible for planning and leading assurance reviews of projects and programmes across TfL, to confirm that risks to project delivery and benefits realisation are being effectively managed.	£55,000 - £59,999	£1 - £4,999	N/A	NIL	0
Project Engineer	To provide effective communication between Project Managers, Senior Discipline Engineers and Lead Design Engineers within a delivery group to enable integration across project groups to achieve the project objectives. 2.2To provide the Engineering link between Delivery and Functions to ensure that the work is effectively controlled using appropriate Engineering procedures. 2.3To hold full delegated design authority for the Delivery Area, (this may be delegated to the EM or LDE). 2.4To check and approve design documentation as necessary.	£55,000 - £59,999	N/A	N/A	NIL	0
Project Engineer	To provide specialist professional and technical support on project engineering issues to the project teams in order to ensure effective and efficient delivery of projects to time, budget and quality to meet the needs of the customers of Projects Directorate and of LU.	£55,000 - £59,999	N/A	N/A	NIL	0
