Environmental Monitoring

Additional Mitigation:

Houses on the Green are eligible for window cleaning by an NLE-appointed company. Window cleaning (front windows only) is done once every three months

Kennington Green Working Hours

- Excavation of the shaft and tunnels continues to be 24/7
- Core hours are 08:00 to 18:00 Monday to Friday and Saturday 08:00 to 13:00 for surface works.
- NLE have applied to Lambeth to allow for deliveries of cement over the weekend, as a contingency
- NLE always look to apply 'Best Practicable Means'
- NLE will endeavour to minimise any possible night time disturbance to acceptable hours.

Kennington Green Head House

- Lambeth have confirmed that a planning committee for the determination of the detailed design of the head house will take place on 29 November 2016 at 7pm
- The venue will be Main Hall - Karibu Education Centre, 7 Gresham Road, SW9 7PH

Your Feedback

Feedback	Action
Compressor generating night time noise	Additional acoustic blankets were installed within compressor housing. Attended monitoring completed on the 11/10/16 to ensure levels are within night time thresholds
More information and engagement about works	Provided visual and audio presentation at CLG's and Drop In Sessions. Last one took place at Kennington Park 28 September
Signage	Feedback addressed and removed 'Except cyclist sign'
Light pollution from Kennington Green	Affected residents were visited and lights have been redirected and shielded where possible.
Road resurfacing Kennington Road North	This has now been completed.
Vibration in the Lycee	Additional attended monitoring exercise completed and report issued to residents

NLE Engagement Opportunities

- CLG meetings
- One to one meetings
- Drop in sessions
- School and Youth
